- F. Exceptions: Normally, a candidate is selected and initiated to the degree of Pup only at a Growl of the Pound, and a Pup is initiated and obligated to the degree of Devil Dog only at a Growl of the Pack; however, certain exceptions must be considered.
1. In a state having only one (1) functioning Pound, the natural membership area of the Pound shall be that enclosed in a fifty (50) mile radius of the municipality that is the nominal location of the Pound. All candidates for the degree of Pup residing in that area will file their application for membership with that Pound Dog Robber, and complete all requirements listed in paragraph C of this section. They may then be elected, initiated, and obligated at a Growl of the Pound, in accordance with these bylaws. Candidates residing outside this area will have the option of being initiated and obligated at the hometown of the Pound, or may attend the annual Department Convention, where the Pound, sitting as an initiatory body, may receive applications, and initiate and obligate candidates to the degree of Pup. Newly initiated Pups residing outside the natural membership area of the Pound will either be affiliated with that Pound until there is a Pound formed in their area, or designated Kennel Strays in accordance with these Bylaws. In either case, candidates must meet the requirements of paragraph C of this section.
 2. In states not having a functioning Pound, candidates for the degree of Pup have three (3) options to submit an application for membership.
 - a. Where there is a functioning Pound in an adjoining state, such candidates may file their application with the Pound Dog Robber of that Pound, and upon election, be initiated and obligated at a Growl of the Pound, or
 - b. Where there is a functioning Pack in an adjoining state, such candidates may file their application for obligation and initiation with the Pack Dog Robber of that Pack, and upon election, be initiated and obligated at a Growl of the Pack, or

- c. Such candidates may file their application for obligation and initiation with the Honorable Dog Robber, and upon election, be initiated and obligated at the Supreme Growl of the Kennel.
 - d. Candidates applying under this subparagraph must also meet all the requirements of paragraph C of this section.
- 3. Advancement to Devil Dog
 - a. Where there is a functioning Pack in an adjoining state, Pups may file an application with the Pack Dog Robber of that Pack, and upon election, be initiated and obligated at a Growl of the Pack, or
 - b. Pups may file an application with the Honorable Dog Robber, and upon election, be initiated and obligated at the Supreme Growl of the Kennel
 - c. Pups applying for advancement under this subparagraph must also meet all the requirements of paragraph D of this section.
- 4. In states having a functioning Pack, candidates for the degree of Pup may also apply directly to the Pack Dog Robber of that Pack, if application to a Pound would cause undue hardship or gross inconvenience.
 - a. Such applications will be considered at the sole discretion of the Pack Staff. Candidates applying under this subparagraph must have met all the requirements of paragraph C of this section and have been a member of the MCL for two (2) full years.
- 5. In addition to the above provisions, candidates for Pup and Pups applying to advance to Devil Dog may also apply directly to the Honorable Dog Robber for consideration at the Supreme Growl of the Kennel. Such applications are at the sole discretion of the Kennel Staff, wherein refusal would cause undue hardship and gross inconvenience. Candidates for Pup so applying must have at least three (3) full years' membership in the MCL and meet all the other requirements of paragraph C of this section. Pups so applying for advancement must have two (2) full years faithful service as a Pup and meet all the other requirements of paragraph D of this section.
- 6. Except as may be noted otherwise elsewhere in these Bylaws, a candidate for the degree of Pup will not normally be processed by a Pound outside their home state if there is a functioning Pound therein. Likewise, candidates for the degrees of Devil Dog or Pup will not normally be processed by a Pack outside their home state if there is a functioning Pack therein. Candidates should not be given the opportunity to "shop" between different Pounds or different Packs. The provisions of paragraphs C and D of section 101 must be applied to the consideration of any exception to this subparagraph.

- a. Candidates for the degree of Pup initiated by other than a Pound under the provisions of this paragraph would normally be designated Kennel Strays. Pound affiliation requires the mutual desire of the Pup and acceptance of the Pound, and
 - b. Pups advanced and initiated to the degree of Devil Dog by other than a Pack in accordance with this paragraph will normally retain their prior affiliation, either with their Pound or as Kennel Strays, as appropriate.
- G. Associate, Honorary or any type of member of the MCL, other than Regular members, shall not be eligible for membership in the MODD except those members granted Honorary Life Memberships by virtue of being a recipient of the Medal of Honor. The Kennel, upon written request from the Pounds and Packs may confer the title of Honorary Pedigreed Devil Dog upon Medal of Honor recipients as appropriate. Individuals who receive the title of Honorary Pedigreed Devil Dog, and who are or who become paid regular members of the MCL may convert to a regular membership in the MODD by paying the appropriate dues.

It is preferable, but not mandatory, that the Pound bear the name of the Detachment of the MCL from which it obtains the majority of its members.
- C. When there are at least ten (10) qualified members of the MODD residing under the jurisdiction of the relative Department of the MCL, where there is no instituted functional Pound, an application for a Pound Charter should be filed.
 1. Effective leadership is always a prerequisite for a successful Pound. This is particularly true where the membership of the Pound will probably be spread across a wide geographical area. Individual Devil Dogs who are qualified to accept the challenges implicit with this situation should be identified, and they should be queried to determine that they are willing to serve in leadership positions before a Pound Charter application is submitted.
 2. When such a Pound is Chartered and instituted, it shall be known as "Name of the State" Pound, and by reason of the wide geographical residency of the membership making it difficult to hold a

"called" or "stated" Growl of the Pound, it shall be in order for such a Pound to convene any Growl of the Pound, only in concert with a Convention of the MCL.

- D. When the paid-up membership of any Pound in the Kennel shall fall below the number of five (5) members, then the Charter of such Pound may be impounded at the Kennel headquarters at the request of either the Pound Keeper of the affected Pound, or the Honorable Chief Devil Dog, until such time as the Pound can be reactivated. - B. The Honorable Chief Devil Dog shall determine as to whether the issuance of the proposed Charter is in the best interest of the MODD and of the MCL, and if his/her determination is favorable, shall cause the proposed Charter to be issued over his/her signature and countersigned by the Honorable Dog Robber, and dated as to the date of approval and issue.
- C. Should the location of the proposed Pound be where there is no functioning Pound, the Honorable Chief Devil Dog shall proceed with the issuance of the Charter as under the provisions of paragraph B of this section.
- D. Should the location of the proposed Pound be in a state where there is a functioning Pound and the proposed Pound be within the natural membership area of the functioning Pound (*Section 101-F-1*) the approval and consent of the functioning Pound must be sought. When approval and consent are obtained, the Honorable Chief Devil Dog shall proceed with the Charter in accordance with paragraph B of this section. If the functioning Pound refuses to approve and consent, or fails to respond to this request, the Honorable Chief Devil Dog, with the advice of the Pack Leader, if such exists, may proceed to issue the Charter if such is felt to be in the best interests of the MODD.

DEVIL DOG'S CREED

By PDD George E. Williams, August 1989
(Modified, August 2008)

I am an American, I was born in France.

I hold the title of United States Marine,
and understand the commitment of holding the title,

Devil Dog.

It is a tradition born at Belleau Wood in the year 1918,
of a force in readiness and the “First to Fight.”

As a Devil Dog, I ask no quarter and give no quarter.

I will do everything in my power to uphold the objectives
of the Military Order of Devil Dogs
and to carry out my duties to a swift and satisfactory
completion.
